Subject: OSWER Human Health Regional Risk Assessors Forum (OHHRRAF), Bi-Monthly (Call Reminder, Thursday, March 20; 12:30 pm ET)

Lora Werner, Dawn Ioven, Karl Markiewicz, Bob Helverson, and Jack Kelly (R3) have agreed to speak to us about the response to the spill of methylcyclohexane methanol (MCHM) in West Virginia (see attached hyperlinks). Glenn Adams and Kevin Eichinger (R4) have agreed to speak to us about the response to a recent coal ash spill in North Carolina (see slides attached).

Subject: some links to share in advance of the OSWER Human health Regional Risk Assessors Forum call on Thurs

Hi, Rich

We aren't going to have any slides or anything for our part of your call on Thurs, but I thought it might be helpful if we shared a couple of links with you to give out to the participants, in case they are interested:

CDC's website for the incident, including our screening level calculations:

<http://emergency.cdc.gov/chemical/MCHM/westvirginia2014/index.asp>

WV American Water's 2/14 testimony (includes a timeline of events)

<http://www.amwater.com/files/McIntyre%20Testimony%202%206%202014%20Final.pdf>

WV's website on the incident:

<http://www.dhsem.wv.gov/Pages/WV-American-Water-Emergency.aspx>

Thanks, Lora
